Apply Procedure (II)

2. After deliberation by the Committee, OIA will notify the Department to inform the application team.

Important notes about leave

3. Grantee must apply for official business leave for going abroad on the Student Leave

Application Online System (in YunTech SSO) in advance. Students participating in various activities on weekdays or holidays (including summer and winter vacation) for an official purpose, with no courses scheduled at YunTech during the leave, are still required to log into the Student Leave Application Online System to apply for leave.
