In order to promote and enhance the understanding of Sinological and Taiwan Studies resources in Taiwan for future Sinologists, the National Central Library is going to hold a two-day introductory workshop on archival research and digital humanities. The workshop contains a keynote speech, four lecture courses, one guided tour within NCL and a half day trip to three major temples in Taipei.

The lecture topics include the introduction of electronic resources of NCL, Academia Sinica, and other universities in Taiwan imbued with the invited speakers' abundant experiences with case studies. The event is free of charge and only opens to 25 students of foreign nationality currently in Taiwan. The registration is open until July 17. (The accommodations are not included.)

為協助海外青年漢學家瞭解在臺灣進行研究的必要性，並充分掌握臺灣學術資源之分布與運用，本館特舉辦 2 日館內外學術資源利用課程及參訪行程，除了以英文專題講座介紹館藏相關數位資源及研究設施，亦擴大介紹臺灣其他學術機構之典藏特色，邀請館內外相關領域專業人員擔任主講，以加強國際學術交流。歡迎在臺之外籍生踴躍報名參加。
